1. Section 3.5.5 “Execution of the Proposal”
“b” states that a “corporate seal shall be affixed”. In the absence of a corporate seal, is there a “Affidavit Verifying Corporate Signing Authority” and “Affidavit Verifying Execution” available? **Yes, the proponent may provide an affidavit verifying corporate signing authority.**
2. Under section “Customer Charge and Service” (page 13)

Does the term “satellite” mean the use of additional ATMs provided where needed for major events without the use of trailers? **Yes, additional ATMs. Please indicate whether or not these would be supplied with their own power source and protection from the elements by the proponent or if these conditions would need to be supplied by the RRC for these major events.**
