RFP # 2019-01-22 Miskanaw Cart Path

ADDENDUM 2

Responses from the Regional Recreation Corporation of Wood Buffalo (in red font) to the following questions received in relation to the aforementioned Invitation to Bid are reflected in this Addendum.

1) Appendix E – Pricing Schedule Clarification

It states a quantity of “Exist Prep” for various holes. Are contractors to assume that this is an area which has been prepped for asphalt and only requires a tune up of fine grading the GBC? Has it only been excavated with no subgrade prep?

Answer #1: The existing prep areas refer to the areas that are already gravel cart paths and have been for a long time. These paths will only require touch ups to grade to be ready for asphalt.

2) Addendum 1 – Question 13 – Will the maps provided show stockpile locations?

Answer #2: See Appendix F.
