## RECREATION CENTRE

PARTNERSHIP

OPPORTUNITIES

In a community primed for massive growth the residents of Anzac are ready to welcome a new recreation centre and enjoy all the possibilities it will bring. Along with all these possibilities come new opportunities for the people of Anzac as well as those from the surrounding communities of Janvier, Gregoire Lake Estates, and Fort McMurray.

The new recreation centre has been designed with the facility user in mind, with a community-driven approach that will see a new arena, field house, fitness centre, and a variety of features created for specific age groups and interests. These amenities will combine to create a heart for the community of Anzac while also attracting user groups from around the region to participate in sports as diverse as hockey, ringette, soccer, and badminton. Added to the sports component of the facility are amenities destined to become the focal point for recreation, arts, culture, events, and programs.

New opportunities for the community presents new opportunities for partners, with a chance to connect with community members right from opening day and looking ahead to the future. On that horizon are events like the Canadian Ringette Championships in 2015, which will see the new arena at the Anzac Recreation Centre as a host venue for some of the games in this prestigious sporting event. Naming rights for the amenities inside the centre facilitates

the forging of new relationships and the strengthening of bonds for existing ones, while also supporting the community in this new adventure in growth and recreation.

The new Anzac Recreation Centre is certain to become the hub of the community it serves through a standard of excellence in recreation, sport and event experiences founded on the guiding principles of MacDonald Island Park in Fort McMurray. The newly founded ONE Team, formed on the backbone of Mi Team, will deliver that standard while staying true to their mandate to make a difference in our region each day. ONE Pass membership becomes the passport to every recreation centre in the region, including the new recreation centre in Anzac, and fosters the building of vital community connections.

This new centre creates the opportunity for you to make a difference in our region through your generous support and partnership, building a legacy together with ONE Team and the Regional Recreation Corporation as we bring a new standard of recreation excellence to the Wood Buffalo region.

## The Facility

Anzac, located on the western shore of Willow Lake in the Regional Municipality of Wood Buffalo, is a hamlet of approximately 800 people with potential for rapid growth due to developments in the region. The facility design was based on the feasibility study conducted in July, 2010. The facility, which includes a fitness centre, field house, multi-purpose activity spaces, indoor child playground, and more, has been created to meet the needs of a community that is anticipated to see rapid growth over the next decade. The project is anticipated to serve the community of Anzac as it grows to a projected population of 8,000 residents by 2030.
